MANAGEMENT DISCUSSION & ANALYSIS REPORT, REVIEW OF OPERATIONS DURING THE YEAR & FUTURE PLANS

(i) Industry structure and developments.

Indian food processing industry is widely recognized as a sunrise industry, having huge potential for uplifting agricultural economy, creating of large scale processed food manufacturing and food chain facilities and the resultant generation of employment and export earnings. Indian food industry is expected to grow to US\$ 280 billion by 2015 and generate an additional employment for approximately 8.2 million people.

Mushroom farming is practiced in more than 100 countries and its production is increasing at an annual rate of 6-7% presently. World production of mushroom is over 25 million tons as per claims of Chinese Association of edible mushrooms. Indoor cultivation of mushrooms utilizes the vertical space and is regarded as the highest protein producer per unit area and time – almost 100 times more than the conventional agriculture and animal husbandry. This high tech horticulture venture has a promising scope to meet the food shortages without undue pressure on land. In India, mushroom production shot up from near 5000 tons in 1992 over 1 lac tons in 2010. India produces about 600 million tons of agricultural waste annually and a major part of it are left out to decompose naturally for burnt *in citu*. This can effectively be utilized to produce highly nutritive food unlike mushrooms and spent mushroom substrate can be converted into organic manure for field crops. Mushroom growing is highly labour oriented venture and two factors, i.e., availabilities of raw material and labour make mushroom growing economically profitable in India.

On the export front also, for the first time during 1994 India not only figured in the US imports but emerged as the IInd largest exporter of the canned mushrooms replacing Taiwan. Now a few commercial mushroom units are exporting canned mushrooms to the Americans, European and other countries regularly.

(ii) Opportunities and Threats.

Opportunities

$Foods\, and\, vegetables\, \hbox{-}\, fast\, growing\, sector$

Fruits and vegetables are one of the most important and fast growing sub-sectors of the food processing industry. Over the last few years, there has been a positive growth in ready-to-serve beverages, fruit juices and pulps, dehydrated and frozen fruits and vegetable products, tomato products, pickles, convenience veg spice pastes, processed mushrooms and curried vegetables. The demand has increased because of the factors like consumption by nuclear families, working women, students and single employees staying alone. There are abundant opportunities in expanding the export market because of good international demand for certain fruits and vegetable products. The Indian food processing industry is primarily export oriented. India's geographical situation gives it the unique advantage of connectivity to Europe, the Middle East, Japan, Singapore, Thailand, Malaysia and Korea.

Macro-economic as well as industry specific (FMCG and Packaged Food) indications point to enduring buoyancy in the domestic market, while the international geographies in which your Company operates are likely to be stable as well.

Changing demographics (young, higher disposable income, experimental, urbanization, willingness to spend) further fuelled by trends like a greater awareness of health and nutrition on one hand and more hedonism (especially the new 'affluent' generation) is rapidly enlarging the opportunity.

Mushrooms:

Development trends of Mushroom industry is based on the increasing consumer consciousness and demand for nutritious quality and organic products in domestic and international market. Increasing interest in protection of environment from the industrial pollution and environment friendly progress in mushroom production and processing technologies resulting in tremendous growth in the productivity and production of mushrooms.

Strength:-

Mushrooms are grown seasonally as well as state-of-art environment controlled Crop room in the commercial units. It is highly labour oriented venture and labour availability is no constraint in the vicinity of **Tarai Foods** and two factors that is availabilities of raw materials and labour make mushroom growing economically profitable in this region. Moreover, **Tarai foods Ltd. Rudrapur** is located in the bowl of raw materials like Wheat Straw, Sugar cane Bagasse & Chicken Manure required for composting. Besides, the moderate climate of the Tarai region is well suited to mushroom production as temperature does not as high alike other parts of the country.

Awareness about food and medicinal values of mushrooms increasing quantitative use of mushrooms in the country thus creating better market for a product like fresh and processed mushrooms. There is increasing market for post harvest products like pickles or soup powder of mushrooms.

Threats

- Uncontrolled price structure
 - When there is a glut in the market, the price of certain food items falls down considerably but as the demand increases or there is shortage of those food items in the market the price rises up with a vast variation. Thus there is always an uncertainty in market prices of most of the food items which reduces the amount of net profit and this discourages the manufacturers/ producers of these food items. This problem gets aggravated during peak production months, also because there is no minimum support price from the Govt.
- High transportation charges:
 - Although, agro and animal wastes are available in plenty in India but their availability are not evenly distributed. Due to diversified climate and topography of land, different kinds of crops are raised in different parts of the Country and production/ manufacture have to pay heavy transport charges. The hike in diesel/petrol prices from time to time aggravates this problem.
- Commercial rate of electricity tariff:
 - Similarly, both small and big production/ manufacture have to pay electricity charges at commercial rate, although mushroom farming is an agricultural activity. It has been highlighted by the concerned scientific community during scientific gatherings, seminars, meetings etc. many times, but no relief has been given. This has led to high cost of production due to increased capital as well as recurring expenditure on production/manufacturing affecting its competitiveness in world markets.
- Competition: eg -Availability of canned Chinese mushroom at lower price.
- High cost of energy tariff for year round production though the mushrooms have been included as one of the agricultural crops.
- Unorganized production and sale particularly by seasonal farmers resulting in glut in market during winter months. This results in price cut in the
 period.
- Lack of modern facilities to produce quality compost, casing material spawn and processed products. TFL is going to improve its facilities in this
 regard.
 - To address these risks, the Company has a single point source supplier of Frozen/IQF (Individually Quick Frozen products to the customers as per their requirements with high quality products at a lower cost. Though the competition is fierce, the goodwill and the quality of the products offered by the Company are great plus factors and the Company expects to overcome the competition. The Company had expanded its product line both horizontally as well as vertically.

(iii) Segment wise & Product-wise performance:

The Company operates in a single segment. The product wise performance is as under:

Processed Foods

- Fresh Mushrooms
- Frozen Peas
- Mushroom Spawn
- Frozen sweet corn

Product-wise performance Sale of Finished Goods

Description	Current Year		Previous Year		
	Qty. (in MTs)	Value (in Rs. In lacs)	Qty. (in MTs)	Value (in Rs. In Lacs)	
Fresh Mush rooms	153.65	177.77	88.32	96.91	
Frozen Peas	61.27	19.01	230.12	82.66	
Frozen s weet corn	10.63	04.79	15.38	07.04	
Mushroom Spawn	8.73	05.45	5	04.06	

The company has completely diversified in Mushroom growing in artificially controlled temperature setting. It has been successful in creating capacities of ½ ton a day for Mushroom and is hopeful of expanding it to 1 ton a day in near future.

 $The overall \, current \, year's \, production \, and \, realizations \, in \, Frozen \, Vegetable \, category \, has \, increased \, . \, The \, Company \, hopes \, to \, continue \, with \, the \, increasing \, trends.$

(iv) Outlook

Food Processing Industry is of enormous significance for India's development because of the vital linkages and synergies that it promotes between the two pillars of the economy, namely Industry and Agriculture. The growth potential of this sector is enormous and it is expected that the food production will double in the next 5 years and the consumption of value added food products will also grow at a fast pace. This growth of the Food Processing Industry will be of immense benefits to the economy, raising agricultural yields, meeting productivity, creating employment and raising the

standard of very large number of people throughout the Country, specially, in the rural areas. Economic liberalization and rising consumer prosperity is opening up new opportunities for diversification in food processing sector.

The nature of the Indian food processing market and the experiences of successful Indian and MNC players indicate that this sector will grow substantially in future because of the following reasons:

- 1. Effective distribution network and supply chain
- $2.\,Product\,range\,that\,is\,customized\,to\,suit\,local\,market\,requirements.$
- 3. Superior processing technology
- 4. Brand building and marketing

Management is consistently keeping close watch on the changing market scenario and the business strategy is reviewed regularly for achieving a consistent growth by meeting the tough international competition successfully.

(v) Risks and concerns:

Every business has inherent risks involved in it operations, which may be either external or internal. The external factors are market competition, availability of cheaper substitute products, Government policies regarding power tariffs and ongoing political and economic changes in the importing Country. The Company may not have much control over such factors; however it is important to address these risks & concerns to mitigate their overall impact on the business. Formal risk assessment and Management approach along with the regular monitoring mechanism in the Company ensures that these risks are duly addressed and well managed. High focus on safety of plant, its premises and people continuity and proactive Management of related business environment are essential for the risk management in the overall supply chain and business in general.

(vi) Internal control systems and their adequacy.

The Company has an adequate system of internal controls to ensure that all activities are monitored and controlled as well as transactions are authorized, recorded and reported correctly. The Company ensures adherence to all internal control policies and procedures as well as compliance with all regulatory guidelines, which are supplemented by internal audit regularly.

The Audit Committee of the Board meets on quarterly basis and reviews the internal control systems as well as financial statements.

(vii) <u>Discussion on financial performance with respect to operational performance:</u>

The Company has diversified its operations into Mushroom growing in artificially controlled temperature setting and offers a wide range Frozen and IQF (Individually Quick Frozen) product range of peas, fruits/ vegetables as per the requirements of the customers, meeting strict quality & hygiene standards. Canned peas in various shapes and sizes are also available as per the customer requirement. The Company is a single point source of supplier of Frozen, IQF products to the customers as per their requirements.

$(viii) \underline{Material\ developments\ in\ Human\ Resources\ /\ Industrial\ Relations\ front, including\ number\ of\ people\ employed\ developments\ in\ Poople\ employed\ develop$

The Company lays due emphasis on sound Human Resource Management practices and appraisal systems with focus on cordial employee relations to ensure higher level of productivity and operational efficiency. Adequate efforts have been made to strengthen and develop its human resources as a key strength through continuous training inputs and focused development plan. As on 31st March 2015, the total numbers of permanent employees in the Company were 13.

The belief that 'great people create great organizations' has been at the core of the Company's approach to its people. We continued to make significant investments for training in the areas of marketing excellence, customer service and building capabilities for organized retail trade.

Annexure 6

Particulars of Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo required under the Companies (Accounts) Rules. 2014

I. Conservation of Energy:

Sustainability at Tarai involves the awareness that a greener, healthier planet is the best legacy we can leave for our future generations and for our business. The Company has embedded a policy of reduce, reuse and recycle across all its processes. Company's technical staff and engineers are trained to identify energy-saving opportunities and consistent efforts to improve performances have resulted in considerable reduction in the use of energy and natural resources. Your Company has taken appropriate measures for environment protection by adopting green and clean technologies.

A few initiatives taken by your Company towards energy conservation during the year under review:

- Switch off utility machines during off times.
- > Use of electrical equipment's with high energy efficiency and low anti-environment emissions.
- > Office lights are switched off during lunch time and immediately after the office hours.
- The curtains are kept raised so that natural light is used.
- > The laptop & computer monitors are programmed to go to sleep mode when not in use.
- Use of high masks light of 250w to CFL of 85 W.
- We have been able to achieve a higher level of operational efficiency of utilities such as Heating, Ventilation and Air Conditioning (HVAC) systems by scrapping and replacing the old floor mounted HVAC with a more efficient roof mounted HVAC.

II. Technology absorption, adaptation and innovation:

(i) The efforts made towards technology absorption:

Validation of various formultions were careied out in the year 2014-15. Formulation chosen for the composting consisted of Wheat Straw, Chicken manure (75%), Soybean meal (3.6%), urea (0.3%), Ammonium sulphate (0.2%) and Gypsum (8.0%). It gave significantly better yield comparing earlier formulations. It is cost effective also. Therefore, the present validated formulation is being used presently for compost preparation.

The company has not imported any technology in the last few years and hence matters pertaining to the technology absorption, adaptation and innovation are not applicable to the company.

The imported technology currently used is quite old, around 17-20 years old for which the company has retained key technical staffs that have been trained by earlier technical collaborator and have adapted the technology well.

(ii) The expenditure incurred on Research and Development:

Our company is involved in manufacturing business for which the employees carry on necessary research on the job for improving the existing processes and procedures. Since it is an integral part of our continuous effort to improve our services, no research and development expenditure is separately allocated.

III. Foreign Exchange Earnings & Outgo

The particulars regarding earnings and outgo in Foreign Exchange for the year 2014-15 are given below.

Particulars	Current Year (Rs.)	Previous Year (Rs.)
Foreign Exchange Earning	NIL	NIL
Foreign Exchange Outgo	NIL	NIL

Independent Auditor's Report

To the Members of TARAI FOODS LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of TARAI FOODS LIMITED ("the Company") which comprise the Balance Sheet as at 31 March 2015, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information which we have signed under reference to this report.

Management's Responsibility for the Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent, and designs, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the Accounting and Auditing standards and matters which are required to be included in the Audit Report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion whether the company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on these financial statements.

Basis for Qualified Opinion:

- $1. \ \ \, \text{Clause 13 on Note 22 regarding damage to the cold store building.}$
- $2. \quad \text{Clause 9} \, \text{on Note 22} \, \text{regarding interest on Term Loan default not provided for}.$

Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (i) in the case of the balance sheet, of the state of affairs of the Company as at 31 March 2015;
- (ii) in the case of the statement of profit and loss, of the profit for the year ended on that date; and
- (iii) in the case of the cash flow statement, of the cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to –

1. Clause 11 on Note 22 of the Financial Statement with regard to continued losses and negative net worth. Considering continued losses, and negative net worth of the company, the concept of going concern may be in doubt, Its ability to continue as going concern depends upon the settlement of outstanding dues of secured/unsecured creditors and restructuring of operations by considering appropriate business strategies and financial viabilities. In spite of these uncertainties, accounts have been prepared on going concern basis and we are unable to ascertain its impact on the financial statements of the company.

Our opinion is not qualified in respect of the above matter.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.

- $1. \ \ \, \text{As required by section 143 (3) of the Act, we report that:} \\$
- a. we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- $c. \quad the Balance Sheet, Statement of Profit and Loss and Cash Flow statement dealt with b this Report are in agreement with the books of account;\\$
- d. in our opinion, the Balance Sheet, Statement of Profit and Loss and Cash Flow statement comply with the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014,
- e. on the basis of written representations received from the directors as on 31 March 2015, and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2015, from being appointed as a director in terms of section 164(2) of the Act.
- f. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according the explanations given to us:

- 1. The Company has disclosed the impact of pending litigations on its financial position in its financial statements in accordance with the generally accepted accounting practice.
- $2. \ \ \, The Company did not have any long term contracts including derivative contracts for which there are any material foreseeable losses.$
- 3. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.

Note 21: STATEMENT ON SIGNIFICANT ACCOUNTING POLICIES

1. General:

The financial statements are prepared in accordance with the Indian Generally Accepted Accounting Principles (Indian GAAP), including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013 under the historical cost convention on the accounting principles of Going Concern and the Company follows mercantile system of accounting and recognizes income and expenditure on accrual basis except those with significant uncertainties.

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of financial statements. The recognition, measurement, classification or disclosure of an item or information in the financial statements are made relying on these estimates. Any revision to accounting estimates is recognized prospectively.

Fixed Assets:

TANGIBLE ASSETS:

Fixed Assets are stated at cost of acquisition and subsequent improvement hereto including taxes, duties, freight and other incidental expenses related to acquisition and installation. In accordance with AS 28, where there is any indication of impairment of the Company's assets related to cash generating unit, carrying amount of such assets are reviewed at Balance Sheet date.

Capital Work-In- Process is carried at cost, comprising direct cost, related incidental expenses, if any to the extent they relate to the period till assets are ready for intended use.

Depreciation:

TANGIBLE ASSETS:

Depreciation has been provided based on useful life assigned to each asset in accordance with Schedule II of the Companies Act, 2013 as per rates prescribed according to the Straight Line Method.

4. Revenue Recognition and Sales:

Revenue on sale of goods is recognized on transfer of risks and reward which generally coincide with dispatch of goods to the parties. Sales are net of value added tax.

Inventories:

- a. Finished Goods are valued at the lower of cost and net realizable value. Cost for this purpose includes direct cost and an appropriate portion of allocable, overheads
- b. W.I.P. is valued at cost. Cost for this purpose includes direct cost and attributable overheads.
- c. In case of stores and spares and packing material and raw material, 'Specific Identification' method and for other inventories, FIFO method is used.

6. Employee Benefits:

a. Provident Fund:

Provident Fund is a defined contribution scheme and the Company's contributions are charged to the Profit and Loss Account during the period in which the employee renders the related services.

b. **Gratuity and Leave Encashment entitlement:**

The company's liability towards the Gratuity and Leave Encashment is accounted for on the basis of actuarial valuation done at the year end and is charged to Statement of Profit and Loss.

7. TAXATION

Income Tax expenses comprise current tax (i.e. amount of tax for the year determined in accordance with the Income Tax Laws). Deferred Tax on assets are recognized and carried forward only if there is a virtual/ reasonable certainty of realization of such assets in near future and are reviewed for their appropriateness of respective carrying value at Balance Sheet date.

8. Provisions, Contingent Liabilities and Contingent assets:

Provision is made based on a reliable estimate when it is probable that an outflow of resources embodying economic benefits will be required to settle an obligation. Contingent liabilities are disclosed in the notes to accounts and are determined based on the management perception that these liabilities are not likely to materialize. Contingent assets are not recognized or disclosed in the financial statements.

Note 22: ADDITIONAL NOTES TO FINANCIAL STATEMENT

Contingent Liabilities and commitments:

 $Contingent \ Liabilities \ not \ acknowledged \ as \ debts:$

- a) regarding excise duty on unbranded French fries Rs.0.59lacs (previous Rs.0.59) Matters under appeal hence interest on such demand not provided for.
- b) regarding Income Tax approx. Rs. 129.84 lacs (Previous Year Rs. 129.84 Lacs)
- 2. The confirmation, reconciliation and adjustment of balances pertaining to trade receivables and payables, loans and advances and capital advances is an ongoing process. As regards the outstanding trade receivables, loans and advances and capital advances, the significant portion of these are independently verified and the company is of the opinion that the same are fully recoverable and consequential adjustments and provisioning, if any, are not likely to be material given the nature ad size of its operation.
- 3. In the absence of any possibility of taxable profits in the near future, the company has not provided for Deferred Tax Asset as per AS-22. The company is not recognizing deferred tax assets in respect of huge unabsorbed depreciation and carried forward losses and other deferred tax assets as there is no certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.
- 4. The company had raised invoice claims on Lamb Weston Inc. amounting to Rs.12.17 lacs during earlier years towards renting of cold storage, testing charges, custom duty and freight charges which are outstanding as at March 31,2015. These amounts are recoverable in foreign currency and are doubtful of recovery. Accordingly, provision for these amounts had already been made in these accounts in 1997-98.

- 9. Interest on secured term loans (IDBI Bank and IFCI Ltd.) with the secured lenders have not been provided for in the books of accounts as the company had entered into negotiated settlement with the Secured Lenders Financial Institutions in 2009-10. The company made a payment of Rs. 1 crore towards the said settlement in earlier years as part of the settlement but defaulted in the payment of further installments. Both of the secured lenders have revoked the negotiated settlement but the company has approached them again for resettlement of the matter and is hopeful of settlement in the near future. Current provision of Interest of Rs. 28.99 crs. due to the secured lenders along with Principal amount of Rs. 3.40 crs. as per Books of Accounts is more than the settlement amount discussed with these lenders and in view of this, there is no fresh provision of interest made for the year under review in the Books of Accounts.
- 10. The company has entered into One Time Settlement with one of its secured creditors- International Asset Reconstruction Company Pvt. Ltd. (assigned by Standard Chartered Bank) for Rs.40 Lacs and has completely satisfied their charge. The interest on term loan provided but not paid amounting to Rs.1.08 Crs has been written back and is shown under the head-Extra- Ordinary Items.
- 11. The net worth of the company is negative as at the Balance Sheet date. However accounts of the company have been prepared on going concern basis since the company is taking necessary steps for its revival. In case the company is unable to continue as going concern in future, the resultant adjustments, if any are presently not ascertainable.
- 12. Liabilities recognized in the Balance Sheet as on 31st March, 2015 with respect to gratuity is Rs. 9.39 Lacs (Previous year Rs. 8.77 lacs) and with respect to leave encashment/ entitlements Rs. 0.87 Lacs (Previous Year Rs. 1.19 lacs) as per the Actuarial Valuation. The following table set out the status of the Gratuity plan as required under AS-15. Reconciliation of the opening and closing value of the defined benefit obligation.
