These quarterly financial results as well as the year to date financial results have been prepared on the basis of the interim financial statements, which are the responsibility of the company's management. Our responsibility is to express an opinion on these financial results based on our audit of such interim financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard for Interim Financial Reporting (AS 25 / Ind AS 34), prescribed, under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder; or by the Institute of Chartered Accountants of India 1, as applicable and other accounting principles generally accepted in India.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion. In our opinion and to the best of our information and according to the explanations given to us these quarterly financial results as well as the year to date results: (i) are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2016 in this regard; and (ii) give a true and fair view and of the net profit/loss and other financial information for the quarter ended 31.03.2017 (date of the quarter end) as well as the year to date results for the period from 01.04.2016 to 31.03.2017 except the following:

2. Interest on Term Loan has not been provided for.

We draw attention to Financial Statement with regard to continued losses and negative net worth considering continued losses and negative net worth of the company, the concept of going concern may be in doubt, its ability to continue as going concern depends upon the settlement of outstanding dues of secured/ unsecured creditors and restructuring of operations by considering appropriate business strategies and financial viabilities. In spite of these uncertainties, accounts have been prepared on going concern basis and we are unable to ascertain its impact on the financial statements of the company, our opinion is not qualified in respect of above matter.

The company made a payment of Rs. 1 crore towards the said settlement in earlier years as part of the settlement but defaulted in the payment of further instalments. Both of the secured lenders have revoked the negotiated settlement but the company has approached them again for resettlement of the matter and is hopeful of settlement in the near future. Current provision of Interest of Rs. 28.99 crs. due to the secured lenders along with Principal amount of Rs. 3.40 crs. as per Books of Accounts is more than the settlement amount discussed with these lenders and in view of this, there is no fresh provision of interest made for the year under review in the Books of Accounts.
